Traffic Committee

2.ii.69

5: Read letter from Mr Arthur Hastie calling attention to the want of sufficient accommodation at the East Grinstead Station, particularly as to the absence of any shelter for passengers on the platforms in the event of wet weather, upon which Mr Bannister reported

RESOLVED: That it be a recommendation to the Board to authorize Mr Bannister to proceed with the erection of a ?????? or roof in connection with the existing walls on either platform, so as to provide the necessary shelter at an estimated cost of £150.
